Training experience

Claire presents public and in-house Integrated Management Systems Lead Auditor training courses throughout Australia. Tailored in-house training sessions can also be accommodated to meet your businesses training needs.

Auditing experience

Claire has been implementing and auditing Quality, Environment and Occupational Health & Safety standards for over 25 years. She has worked as a Certification auditor for multiple Certification Bodies.

I enjoyed the course, our trainer was engaging, helpful and had extensive industry experience which enabled her to provide relevant examples to understand the content.

— Hannah Green

The instructor, Claire, was great - really got the crew involved and was able to have a good laugh. It was enjoyable for something I thought would be a very dry subject. Thank you.

— Brendan Dunnell

The course was very well delivered and structured, Claire allowed time for discussion but also provided valuable context. I will strongly recommend this PwC course to all aspiring Lead Auditors.

— Kenneth Carter
