- International Development

A former State Government Principal Risk Advisor with significant governance, risk and compliance experience, Dan draws on his experience across a variety of sectors to deliver practical and tailored solutions to ensure participants are skilled to implement the learnings within their organisations.

Training experience

Dan has delivered formal and informal training in the public and private sector to participants from a diverse range of professional, cultural and educational backgrounds both in Australia and internationally.

Risk Management experience

Dan has extensive experience in risk management within the private, government and not for profit sectors. He has developed risk management frameworks for global organisations, state and local governments as well as for individual programs and projects. Dan has led risk assessment and treatment activities in a variety of highly dynamic and volatile environments including within correctional, aerospace and high risk population settings.

Dan has been responsible for increasing the capability of both senior executives and front line staff in order to both protect and create value through effective risk management.

Well facilitated to varying learner needs and diverse industries. Extremely knowledgeable in subject matter with clear, concise instructions and content delivery.

- Dallas Frazier

Great course, informed instruction, excellent class interaction.

- Ken Lietzow

Excellent content delivered by highly experienced experts, in their fields. Highly recommended."

- Gareth Batchelor
