- Audit scenarios
- Course review.

## **Assessment**

During the course, participants will complete a single workshop which forms part of the assessment. Upon the completion of each module, there is a short multiple-choice exam which assesses the knowledge and understanding of the standard. Finally, participants apply the requirements of the three standards against a series of auditing scenarios. Participants receive continual assistance and feedback from the trainer.

## **Qualification**

Upon successful completion of the course, each participant will receive a Certificate of Attainment which identifies the Exemplar Global competencies below:

- Exemplar Global QM
- Exemplar Global EM
- Exemplar Global OH.

Additional Exemplar Global competencies for Management Systems auditing (Exemplar Global AU and TL) can be added during the same week of training, or attended separately. Competencies for Food Safety Management Systems may be attended separately.

## **Who should attend**

Designed to cater to a variety of people currently involved in the audit and Integrated Management System process, you should attend if you:

- want to become an internal IMS auditor
- need to write and implement an IMS
- are involved in the IMS management process
- are managers responsible for their IMS and IMS auditing
- wish to consolidate their existing knowledge into a formal qualification.

A business background is preferred, however prior experience in auditing and management systems is not essential.

## **Cost and Payment**

The cost of this course is \$2,595 (incl. gst) per person. Payment can be made either by direct debit or credit card. We do offer payment plans, however PwC must receive payment prior to the issuing of the certificate.

## **Trainers**

PwC's Auditor Training & Certification has a team of expert trainers who are all practicing auditors in the fields of Quality, Environmental, and OHS Management Systems certification. Our trainers have great delivery and training techniques, and make the course relevant and practical with real auditing experiences.

## **Where to from here?**

This course has a number of options which can be added to in order to provide a specific understanding of Environmental or Quality Management Systems, or becoming a lead internal or external auditor.

If you wish to become an OHS auditor under the Exemplar Global auditor scheme, you must also have successfully completed Exemplar Global AU and Exemplar Global TL (provided under Becoming a Skilled Lead Auditor or IMS Lead Auditor). Once you have also obtained these competencies, you can follow either a qualification-based certification path, or competency-based. A full explanation of the requirements to become certified with Exemplar Global can be found on their website or contact us for more information.
