Lisa's particular expertise is in the area of integrated food safety and quality management system audits. Lisa will provide an insight into the skills associated with conducting integrated audits of multiple standards (being typical of retailer audits). Lisa utilises her extensive Food Safety experience to provide relevant and topical food industry training.

Training experience

Lisa presents public and in-house Food Safety Lead Auditor training courses throughout Australia. Tailored in-house Training Sessions can also be accommodated to meet your businesses training needs.

Auditing experience

Lisa has audited some of Australia's major food manufacturers as well as smaller family run businesses. A critical component to her auditing is in-depth knowledge of key Food Safety requirements including Microbiology, Allergen Management, Food Fraud, Food Labelling, High Risk Controls and Root Cause Analysis.

Lisa was the 2014 Winner of the 'Outstanding individual working as a registered Food Safety Auditor' award. This prestigious accolade was awarded by AFS (Advancing Food Safety) an independent Food Industry Body.
